**Simplify and enrich existing services (pg 27)**

R&D

Keep DPs relevant,  
protected, while users,  
can keep/change  
apps

Timidity Check - less human

Help to improve participation report -  
not easy to know  
what to do next.

Credit added to  
metadata

Use Blockchain  
to track &  
at ~~unity~~  
all research

Validation of data submitted - quantity

Develop Rossmore  
CZ overhaul

Ingest JATS  
to improve quality

## Adapt to expanding constituencies (pg 31)

multi-language support  
for all  
systems

Funder Out!  
also some more

Advisory Boards to  
get stakeholders involved

Topography  
multilingual

Modify the  
structure to expand  
constituents

Expand Ambassador  
Programme

## Collaborate and partner (pg 33)

170

— Improve  
negotiating

Public work plan

Consultation between  
groups to make marketing projects

Continue to experiment  
eg PTDiplozoa

Remove a  
Qualities of DOI  
regional Collaboration
